Re: Letter of Support - 2019 Capital Budget Funding Request of \$2,013,000 for the Wenatchi Landing Sewer Extension Project

Gentlemen:

On behalf of Building North Central Washington, this letter is submitted in support of the funding request for the Wenatchi Landing Sewer Extension.

The core missions of our organization include economic development, job opportunities and a vibrant local community.

Extension of sewer service to the Wenatchi Landing area will promote multi-county economic development through a thriving job center, with tourist and recreation destinations, and will yield measurable economic and fiscal benefits for local communities and local governments, as well as Washington State.

Please accept BNCW's robust support of the Douglas County Sewer District in their legislative request to secure funding for the Wenatchi Landing Sewer Extension.

Sincerely,

Amy Gustin, 2019 BNCW Chairman
