RE: Wenatchi Landing Sewer Extension Project

Dear Senator Hawkins:

On behalf of the Board of Directors of the Wenatchee Valley Chamber of Commerce (WVCC), I am to ask for your support of the Douglas County sewer district's application for the Wenatchi Landing Sewer Extension Project. The WVCC is confident this grant, if provided, will significantly advance our regional economic opportunities for decades to come.

The extension of sewer service to the Wenatchi Landing area will promote multi-county economic development through a thriving job center, with tourist and recreation destinations, and will yield measurable economic and fiscal benefits for the region, its local communities, as well as our local governments, and Washington State.

The Wenatchi Landing project offers new opportunities for continued economic growth. The extension of sewer opens developable properties that have the potential to bring millions of dollars in investment to our region. Thank you for your consideration of this important application.

Please do not hesitate to contact Bruce Beckett, WVCC lobbyist, or myself with any questions regarding the WVCC's support for this application.

Sincerely,

Shiloh Burgess
Executive Director
Wenatchee Valley Chamber of Commerce
