

# Wenatchi Landing Sewer Extension – Douglas County

## \$4 Million State Funding Approved

*(Legislative Sponsor: Sen. Brad Hawkins, Dist. 12)*

### Background

The Wenatchi Landing Sewer Extension in Douglas County will extend sewer infrastructure along Empire Avenue NW from 29th Street NW toward 35th Street NW outside of East Wenatchee and is the first step of key infrastructure enhancements to this area of Douglas County. The Wenatchi Landing area, once developed, will provide 283 acres of economic opportunities for multiple uses. A \$21 million state transportation interchange project in Douglas County near the Odabashian Bridge is also being considered for funding in future years. For more information about the sewer extension project, please contact the Douglas County Sewer District.
