2 "NEW SECTION. Sec. 7. The legislature recognizes that additional  
3 resources from the federal government may be forthcoming that could be  
4 used to fund the activities and purposes of this act. To ensure the  
5 efficient uses of state resources and to maximize the use of federal  
6 funds, the office should use any anticipated or unanticipated federal  
7 funding allocated to the state through July 1, 2022, that is available  
8 to supplant the amounts appropriated for the purpose of implementing  
9 this act. If the office submits a request to the governor pursuant to  
10 RCW 43.79.270 for an allotment revision to spend unanticipated revenue  
11 that could be used for the purposes of this act, the request must  
12 contain a proposal to use the unanticipated moneys for the sole  
13 purpose of reducing allotments of appropriations made to implement  
14 this act and to place such moneys in unallotted reserve status."
