

# 2019 TRANSPORTATION FUNDING PRIORITIES

**Chelan-Douglas**  
TRANSPORTATION COUNCIL  
**CDTC**

Approved on October 11, 2018  
RESOLUTION 5-2018

## **CDTC priorities for 2019:**

**Safeguard** Connecting Washington funds committed to the region

**Support** increased state funding dedicated for maintenance and preservation to ensure a state of good repair for highways and local roadways in the region

**Secure** new funding for completion of the Apple Capital Loop

## 2019-21 Transportation Budget Request

### **Confluence Parkway Environmental Impact Statement (\$1 million)**

- Completes remaining “phase 2” elements of NEPA environmental review
- Phase 1 work currently underway with \$400,000 legislative appropriation in 2018
- Anticipated completion and NEPA Record of Decision by September 2020

### **New Revenue Priorities — Phased Components of Apple Capital Loop**

#### **1 McKittrick Street BNSF railroad underpass (\$25 million)**

- Ranked #2 statewide among priority railroad grade separation projects (see Tier 1 projects in *FMSIB Road/Rail Conflicts* report due to the legislature December 2018)
- Right-of-Way already acquired with local funds; design & construction can begin immediately

#### **2 US 2/97 Wenatchi Landing Interchange (\$21 million)**

- Construction of a half-diamond interchange with arterial street connections that function as the east half of the interchange (the Practical Solutions alternative to the \$36 million full-diamond interchange)
- Environmental permits already secured as part of WSDOT’s SR 28 NEPA Record of Decision
- Creates highway access to 300+ acre site within East Wenatchee Urban Growth Area to facilitate development pre-cleared by a Planned-Action EIS

#### **3 South Wenatchee Apple Capital Loop Trail Connection (\$4 million)**

- Construct BNSF Railroad overpass to establish a pedestrian and bicycle connection to the Apple Capital Loop Trail for South Wenatchee neighborhoods

#### **4 Confluence Parkway (\$113 million)**

- Construct new roadway and Wenatchee River bridge with connection to US 2/97 Euclid Avenue Interchange
- Realign and enhance Apple Capital Loop Trail
- Construct BNSF Railroad grade separation with intersection modifications at SR 285 connection
